

**October 2022**

Public Works Report:

Conducting road grading operations when possible.

City is in need of a new road grader, repairing old equipment is not financially viable, age and hours on equipment are above their useful life and repair costs and parts availability have severely hindered servicing the roads.

Sent out letters regarding trash and junk in ROW.

Responded to citizen complaints regarding junk and trash properties.

Sand storage building. Delivered, awaiting contractor availability.

Filed the Disaster recovery application to the State of Alaska

Inspected roads damaged by water and evaluated for repairs and replacement.

Parks Report:

- Zero Lake Trailhead is open and has been active. Considerable trash being left at site, cleaning up each week.
- Little Su campground is Closed for winter, walk in traffic still in use.
- Dog Park is completed and is open for walk in traffic.
